

Fire glaciär

Tasting characteristics: Exquisite, elegant beverage, with a beautiful silver tinge. The composition of the wine includes special particles that give the drink a visual effect of the flame, which appears when the bottle is shaken. It has a pleasant taste of mint. The smell is invigorating freshness.

Gastronomy: Perfectly combined with pizza, with red meat. Excellent approach to Japanese cuisine. Serve chilled at t 8 °C to 10 °C.

Alcohol: 6,0% vol.

Volume of: 0,75 l.
