

«TARDY WINE», Cabernet

The wine is made from overripe grapes, harvested before the frost.

Tasting characteristics: Wine strikingly differs from many other types of wine due to the richness of taste that can be characterized as a combination of plums and wild berries. Cabernet wine is always distinguished by its piquant astringent taste.

Gastronomy: It is recommended as an aperitif, during and after a meal. It pairs with meat dishes, fruits, nuts. This kind of wine can be consumed not only in its pure form, but also with fruits, liqueurs and berries, forming delicious cocktails.

Alcohol: 11.5%
