

«BULGARI» Cabernet Sauvignon (dry red)

Made of Cabernet Sauvignon grapes.

Dark-red colour.

Tasting characteristics: This wine is quite different from many other types of wine because of the richness of taste. It spreads the aroma of forest violets, currants, chocolate notes. The taste can be described as a combination of cherries, plums, dark chocolate and grapes. Cabernet wines can be always distinguished by their spicy and sharp flavor.

Gastronomic characteristics: It is recommended as an aperitif during and after the meal. Suitable for meat dishes, fruits, nuts. This type of wine can be consumed not only in its pure form, but also in combination with fruits, liquors and berries, making delicious cocktails.

Volume: 0,75 l.
